I DRIVE A SEMI TRUCK TO CHICAGO ON A DAILY BASIS, AND XM'S TRAFFIC CHANNEL, WHICH I PAY FOR, IS VERY HELPFUL IN MY ABILITY TO GET THRU THE CITY. I AM ABLE TO BEGIN LISTENING HOURS BEFORE ARRIVING INTO THE CITY TO PLAN MY ROUTE, WHICH IS NOT POSSIBLE WITH NORMAL RADIO STATIONS. I THINK THE FCC NEEDS TO GET OFF THEIR SPECIAL INTEREST HIGHHORSE, QUIT KISSING BUTT, AND ALLOW AMERICANS FREE CHOICE. IT IS MY RIGHT TO PURCHASE AND LISTEN TO XM, AND ALL OF THEIR OFFERED SERVICES.
